JOIN VETERANS FOR PEACE TODAY!

Our goal is to educate on the costs of wars in hopes that we may one day end war for good. We also recognize that we have an obligation to heal the wounds of war, not only among our fellow veterans but also the wounds that our war-making has affected around the globe.

Veterans For Peace is open to military veteran, active duty, and civilian (associate) members. All members must subscribe to the VFP Statement of Purpose and Code of Conduct. Veterans must send proof of service/DD214.
