VFP Responds to Crisis in Gaza:
Syracuse Stages a Special Nativity Scene

As worshipers exited the Syracuse Catholic Diocese Cathedral after 10 a.m. mass last Sunday, December 17, they were met with this powerful version of the Nativity created by members of Veterans For Peace and allies.
VFP National Director Mike Ferner insists he is not a religious man, but he loves to quote from the Bible – specifically, from Luke 10:37: *"Go and do likewise."*

Member John Amidon sent this invitation for anybody in the New York City area:

"Join us at St. Patrick’s Cathedral on Thursday, December 28 at 12 Noon for our NYC Nativity Scene Action. The date is when the Feast of the Holy Innocents is celebrated."

**Ann Wright makes statement at UN Security Council**

Late last week, VFP’s Ann Wright was asked to speak at the UN Security Council on weapons in conflict areas… While the topic was on weapons in Ukraine, she got in some comments about Gaza, particularly castigating the U.S. for vetoing the Ceasefire resolution for Gaza.

Ann’s testimony has been uploaded to the VFP YouTube channel. As of December 23, this is by far the most popular of all VFP’s YouTube posts with 90,000 views and 600 great comments! **WATCH IT HERE.**
Ann also shared with us her revised UNSC statement – the one she wasn't allowed to present to the Security Council.

This uplifting music video reference was submitted by VFP outgoing Board Member Ken Mayers:

*The song "Prayer of the Mothers" was born as a result of an alliance made between singer-songwriter Yael Deckelbaum and a group of courageous women leading the movement of “Women Wage Peace.” The message is as timely now as it was then.*

Poor People's Army March

Also known as the Poor People’s Economic Human Rights Campaign, the mission of the nonviolent Poor People’s Army is to keep people alive and to build a cooperative economy and society. Endorsed by Veterans For Peace, the two-week Poor People’s Army March will go from Milwaukee – site of the Republican National Convention (July 15) – to Chicago – site of the Democratic National Convention (August 19). The march will deliver the same message to both conventions: "We reject corporate greed and demand an end to poverty."
