1. To increase public awareness of the causes and costs of war
2. To restrain our governments from intervening, overtly and covertly, in the internal affairs of other nations
3. To end the arms race and to reduce and eventually eliminate nuclear weapons
4. To seek justice for veterans and victims of war
5. To abolish war as an instrument of national policy.

To achieve these goals, members of Veterans For Peace pledge to use non-violent means and to maintain an organization that is both democratic and open with the understanding that all members are trusted to act in the best interests of the group for the larger purpose of world peace. (Amended August 2016)

Veterans For Peace U.S. Code of Conduct

1. We will use our anger at injustice as a positive, nonviolent force for change.
2. We will approach every encounter, with fellow members and the public, with positivity and mindfulness, and with the assumption that concerns raised are coming from a positive place and present a learning opportunity.
3. Our attitude, as conveyed through our words, symbols and actions, will be one of openness, friendliness, and respect toward all people we encounter.
4. All members have an important role to play within Veterans For Peace, regardless of previous military rank, branch, or combat experience. We will respect one another as equal parts of a whole.
5. We will not assault, verbally, in person or online, anyone, to include fellow members and those who oppose or disagree with us, even if they assault us. This does not preclude a member's right to defend him or herself against a physical attack.
6. In keeping with our commitment to achieving our goals through non-violent means, there is an expectation that members will not carry weapons with them to VFP events or while representing VFP, regardless of the laws in their location.
7. We will follow the directions of the designated coordinators during public actions organized on behalf of VFP.
8. We will use democratic principles within our organization to ensure an open, fair, inclusive, and transparent environment.
9. We will speak as members of VFP but not for VFP, unless designated as a spokesperson for VFP. All members are free to speak for themselves or on behalf of their chapter as appropriate.
10. Sexist, racist, homophobic, ageist, transphobic, gender discriminatory, and all other discriminatory language and actions are common within the military; they are not acceptable within VFP.
11. Our words and actions will maintain the political and financial independence of VFP.
12. To achieve the above goals, we will also engage in 'active listening,' that is fully concentrating on what is being said rather than just passively 'hearing' the message of the speaker.

In the absence of such documentation, applicants may be provisionally enrolled but may not vote or hold office at any level within the organization until such documentation is provided.

Associate Membership

VFP considers its Associate members as vital to the organization and values their contributions. Such cases will be decided on an individual basis. Waiver requests must be renewed on an annual basis.

All members, full, associate, and honorary, are expected to act in good faith as a steward for peace and social justice. This includes adhering to the letter and spirit of our bylaws and policies and procedures. Conduct tending to injure the good name of the organization, disturb its well being, or hamper it in its work, or that is otherwise harmful to VFP, our members, and supporters will not be tolerated. For further information, refer to our Code of Conduct, Harassment Policy and Complaint Form, and Misconduct Complaint Form.

Procedures For Investigating Cases of Misconduct

The case for disciplinary action will be prepared by the Membership Committee and presented to the full Board with a recommended course of action. If the Board decides to proceed further, the President will notify the member by certified mail of the grounds for disciplinary action. The person under investigation, or his/her representative, will be given the opportunity to reply in writing and/or appear before the Board at a regular Board meeting. The Board will discuss the case in closed session and reach a conclusion by motion and vote on the disposition of the case.

Restorative Justice Based Approach to Resolving Conflict

Veterans For Peace will strive to utilize restorative justice based approaches, when appropriate, in resolving conflict within our organization.

Restorative justice has been defined as a process through which parties with a stake in a specific offence collectively resolve how to deal with the aftermath of the offence and its implications for the future. Restorative justice can involve mediation either through direct contact between the person who has been harmed and the person who has caused harm, or indirect communication involving third parties. It can also involve restitution or reparation.

The aims of Restorative Justice are commonly stated to be:

- Satisfaction for person who has been harmed: To ensure that they feel safe, with the knowledge that the organization supports them, and that accountability will occur;
- Engagement with the person who has caused harm: To ensure that they are aware of the consequences of their actions, have the opportunity to take responsibility for their actions, and make up for the harm their offending has caused;
- Community health and well-being: To ensure membership have faith that there is an accountability process in place to address harm, but also help promote a healthy organization in a manner which prevents harm from occurring.

For more information on restorative justice, to include a continuum of restorative justice practices, please refer to the VFP website. As we learn more about restorative justice we may need to further amend our processes stated above.

HARASSMENT POLICY

It is the policy of VFP that employees, officers and members have the right to an environment free from any type of harassment. Harassment, including sexual, related to a person's employment or relationship with VFP will not be tolerated. Harassment on the grounds of race, color, national origin, religion, sex, age, veteran status or disability is strictly prohibited. This can include slurs, epithets, threats or derogatory comments.

Sexual Harassment within VFP in any manner or form is prohibited and constitutes extremely serious misconduct. Sexual harassment includes, but is not limited to unwelcome sexual advances, requests for sexual favors, and other offensive conduct of sexual nature on the part of either male or female employees, officers or members. Such conduct by any employee, officer or member is a serious violation of VFP policy and will result in disciplinary action, up to and including termination of employment, or removal from office and/or membership.

It is improper for any employee (supervisory or non-supervisory), officer, and/or member to engage in any such sexual harassment against an employee, officer, member, customer, supplier or any other person and it is improper for any supervisory employee, officer or member to threaten or to take a negative employment action against an employee, officer or member because of his/her refusal to cooperate with or participate in sexual harassment.

Any employee, officer and/or member experiencing, observing or being aware of sexual harassment should report it promptly to the executive director or the president of the Board of Directors. All reports shall be promptly investigated and corrective action taken as warranted, and all information therein shall be confidential and communicated to others only on a need-to-know basis.

Misconduct will result in discipline, including discharge from employment, removal from office and/or loss of membership. Deliberately presenting false information to VFP is extremely serious misconduct and may also result in discipline up to and including discharge, removal from office and/or loss of membership.

After reviewing all of the information gathered, the directors will make a determination of whether or not reasonable grounds exist to believe that harassment has occurred. If such grounds are found, management will take appropriate action within guidelines of applicable state and/or local laws.

For further information please refer to our Code of Conduct, Misconduct Policy, Harassment Complaint Form, and Misconduct Complaint Form (found in the Appendices 3 and 4).

CHAPTERS

General

Chapters are the basic structural component for VFP and are the foundation of the organization. Chapters are authorized to operate autonomously, while adhering to our Statement of Purpose.

The national staff provides assistance to the chapters and the Board of Directors sets priorities and provides support for the organization. Members are encouraged to join local chapters, or to form one if one does not already exist, as chapters are the core of our organization.

See also, Bylaw Article XII. Chapters, for more information.

Chapter Leadership

The position of Chapter President must be filled by a Full member. The positions of treasurer and secretary may be filled by either a Full member or Associate member.

Chapter Formation Procedures

Procedures for forming chapters are posted on the VFP website.

Chapter Name

Chapter names using personal names fall into one of two categories: historical names or non-historical names. Historical names, such as “Thomas Paine” Chapter, need to be approved by the Board of Directors.

Procedures for Non-Historic Individual Names

Living persons will give their own approval for the use of their name by a chapter. For deceased (non-historical) individuals, the chapter will contact all immediate family members for approval to use their loved-one’s name (parents, children, siblings, spouse). After approval from the family, the Chapter Name Change Request may be submitted to the National Office. *(If there is any question of approval, the name shall not be used.)* When the name is approved by the Board of Directors, the National Office will prepare a Certificate of Acknowledgement for the family. We recommend a public event be held and the framed Certificate of Acknowledgement be awarded by the Chapter to a family member along with a descriptive press release.

INTERNATIONAL CHAPTERS

In 2012, Veterans For Peace voted to open Veterans For Peace membership and chapters to international Veterans and Armed Forces Personnel, regardless of where they are located in the world. We will organize under the united banner of our Statement of Purpose.

International chapters have the right to act and organize autonomously from Veterans For Peace in the United States/North America.

It will be important for Veterans For Peace in the United States to not treat international chapters as colonies, and respect their autonomy and decision-making.

Veterans For Peace chapters worldwide will be entrusted to independently seek the best way to move forward in a way that best meets our united goal of world peace.

NATIONAL PROJECTS, WORKING GROUPS, CAUCUSES, SPECIAL APPOINTMENTS, DELEGATIONS, and BUS TRIPS

NATIONAL PROJECTS

General

National projects include all projects that have been approved by the Board of Directors. Currently operating National Projects shall be listed on the VFP website and are subject to change based on member interest and organizational capacity.

Procedure for Establishing a National Project

The following process is established for the recognition and management of any project to be called a VFP National Project (as distinct from local and regional projects).

- A proposal must be submitted to the VFP Board including at least the following:
 - a. A description of the project, its goals and its duration
 - b. A designated individual to be the coordinator for the project
 - c. An estimated budget for the project, to include anticipated sources of funds.
- If the Board approves the project, it will be assigned to the Program and National Projects Committee for management. If the Board does not approve, it will furnish an explanation to the submitting entity. If appropriate, the Board may also establish a “sunset” date at which time funds in the project account will revert to the VFP general fund. In this case, solicitation of funds by the project must include disclosure of the sunset provisions.
- Only projects which have undergone this process can be qualified as a National Project.
- Each National Project coordinator is required to submit a quarterly report including description of project, budgetary estimate, a brief status report including any changes to the original proposal and an end of year financial report. Treasurer will notify the coordinator for each project in time for the report. If no report is forthcoming, funds under VFP management may be frozen until such time as a report is received.

National projects benefit from VFP’s tax-exempt status when they do fundraising and they also have access to the VFP membership. VFP charges an 8.5% administration fee on National project revenues.

Refer to the VFP Website and Appendix 17 for a list of our current National Projects.

WORKING GROUPS

General

Working Groups are our way of connecting members who would like to work on a specific area of focus. Working Groups must be approved by the Board of Directors and are subject to change based on member interest. Current Working Groups can be found on the VFP website.

Members are expected to adhere to our Code of Conduct as well as all other related policies. Groups may be formed around any topic for which there is enough interest, and which falls under the VFP statement of purpose. A board member shall serve as the coordinator of the working groups, and will appoint an initial chairperson for each group. Once established, the group may elect a different chair. The Working Group Coordinator will serve as the intermediary between the working group chairs and the board, and will provide guidance and assistance to the chairs.

Working groups will serve as a central point of reference regarding their respective issues. VFP members interested in joining a working group must be current in their dues, but need not have any special qualifications or experience in that area, merely a special interest in the topic and a desire to participate.

Refer to the VFP website and Appendix 17 for a current list of our Working Groups.

CAUCUSES

Members may form caucuses consistent with the mission and goals of VFP, unless the Board objects. Or is the plural of caucus, cauci, or caucusi. The red squiggles suggest otherwise, but maybe they are in on the conspiracy that is spelling in the English language.

SPECIAL APPOINTMENTS

General

As an official representative of Veterans For Peace, members holding special appointments would be called upon to act in a manner befitting the position and reflecting our code of conduct as Veterans For Peace. In the event that a member filling any special appointment is unable to fulfill these standards, for any reason, the Board of Directors shall have the authority to transition the title to a new member at any time – with input from informed members.

VFP Bereavement Officer

The Bereavement Officer of Veterans For Peace shall offer practical and emotional support to the families and friends of members of Veterans For Peace who have died. This shall include, but is not limited to, ensuring that Veterans For Peace acknowledge the loss of our member, by sending a flag and certificate to the next of kin or other persons as appropriate.

The Bereavement Officer shall be appointed by the Board of Directors with input from previous bereavement officers and knowledgeable members, and shall serve until they can no longer fulfill the responsibilities of the position.

VFP Poet Laureate

The Poet Laureate of Veterans For Peace shall serve as the organization's official poetic voice in our mission to abolish war, and to raise awareness of the power of reading and writing Veterans' poetry. To that end, the Poet Laureate shall continue to write poetry from a Veteran's perspective and search for poems that might resonate with VFP members and the general public alike. The Poet Laureate shall be afforded a special time during the National Convention to these ends, and may also be asked to write works for inclusion in VFP literature.

The Poet Laureate shall be appointed by the Board of Directors with input from previous Poet Laureates and knowledgeable members and shall serve a term not to exceed three years. The position will be transferred from the residing Poet Laureate to the incoming Poet Laureate during a ceremony hosted at the VFP Annual Convention.

VFP United Nations Representative

Veterans For Peace has official status with the United Nations, formerly through the UN Department of Public Information (DPI), now the Department of Global Communication (DGC), which entitles us to name four UN representatives each year. This status allows our representatives to have annual ground's passes, enabling them to access NYC UN buildings, attend weekly briefings and other events announced through a weekly E-message, and attend special events (individual registration required).

The four individuals to be selected as VFP UN representatives may include the Executive Director, board members, and members. The representatives will be selected via communication between the Executive Director and current VFP UN representatives. Nominations will be affirmed by the Board of Directors. The VFP national office will submit the names of our selected representatives on letterhead. The board might consider a budgetary line item to help cover minimal expenses incurred by representatives.

The goal of these representatives shall be to raise awareness of issues that pertain to or support Veterans For Peace mission and goals by:

- Pushing our United States UN ambassador and delegates to sign, respect, and follow international treaties, and to comply with existing treaty obligations and sign new treaties that advance the cause of world peace;
- Educating ourselves about international issues directly related to VFP's mission;
- Raising awareness of what VFP can offer our fellow NGO's, strengthening our position with like-minded organizations around the world;
- Using our NGO status as a means to contact other nations' UN Missions to discuss such topics as what Non-Aligned Movement nations can do in response to our own government's military expansionism;

- Dialoguing directly with NGO's from nations directly impacted by the United States military, to educate VFP members on the consequences of U.S. military expansionism, and to develop, nurture, and strengthen VFP's affiliation with like-minded organizations in other countries;
- Becoming more involved in planning VFP events for the International Day of Peace that is observed around the world on 21 September. The General Assembly has declared this as a day devoted to strengthening the ideals of peace, both within and among all nations and peoples. There are other calendar days related to peace and challenging war too that VFP could be more intentional about;
- Working to have a VFP member elected to the DPI board, thereby having access to setting future agendas;
- Continuing to present workshops at the UN Conferences.

Additional responsibilities of the group and national office will include:

- Develop and maintain an up-to-date web page on our national VFP website that would keep members informed of developments relating to our NGO status within the UN, with assistance from national office staff;
- Attend UN NGO briefings and prepare remarks for dissemination within VFP;
- Promote UN events within VFP and encourage member participation.

DELEGATIONS

Delegations can be a powerful tool when utilized appropriately in a way that honors the work of indigenous movements and local community organizers in solidarity. The following is a general guideline for delegations to utilize. A Delegation Application can be found in the Appendix 7. Applications will be reviewed by the Delegations Committee, and that committee will send a recommendation to the Board of Directors who will have final approval with the input of staff.

Goals:

- Showing solidarity with peoples negatively impacted by US militarism worldwide;
- Build and strengthen international relationships who are concerned and/or threatened by US militarism worldwide;
- Provide VFP members the opportunity to witness the impacts of US militarism abroad
- Through our witnessing, VFP members would be able to educate the broader public who are oftentimes, but not always, unaware of the impacts of US war and militarism abroad;
- Allowing Veterans an opportunity to develop leadership skills and connections with the peace movement domestically and abroad;
- Allowing Veterans an opportunity to heal from the wounds of their military involvement through direct interaction in solidarity with impacted populations.

Organizational Considerations:

- Financial costs;
- Resource costs;
- People power costs;
- As well as a plan to address these considerations.

Constituents, Allies, and Opponents:

- Constituents: VFP members involved and who they represent or speak for;
- Allies: Ally organizations, Veteran populations who may be drawn to VFP because of this work;
- Opponents: Those who oppose VFP goals in general, and those who are threatened by international solidarity in particular.

Targets:

- Populations impacted by US war and militarism abroad;
- VFP members who might be further educated about these issues;
- The broader public who might be further educated about these issues.

Tactics:

- Witnessing the impacts of war and militarism abroad;
- Public actions in impacted areas coordinated with indigenous organizers with the goal to raise awareness and achieve our delegation goals;
- Speaking events stateside and abroad with the goal of raising awareness of the impacts of war and militarism abroad.

Special Provisions:

- VFP delegations may meet privately with government officials and political dignitaries if it furthers our organization's mission and goals.
- Communications regarding these meeting must be approved by the national office before being shared within VFP and without.
- This provision was approved by the Board in 2019 in order to help protect our 501c3 status and ensure that communications do not imply that we support foreign governments. VFP is a people's movement.

BUS TRIPS

Bus trips traveling under the banner of Veterans For Peace, and raising money in the name of Veterans For Peace may be a project of a Chapter, a group of Chapters, and/or the National level. An agreement shall be approved, in writing, by the Chapter(s) and/or Board of Directors prior to the trip. If you would like to utilize the A-Team van and soundtrack and/or KITT in the pursuit of VFP mission and goals, please seek approval from John "Hannibal" Smith and Michael Knight respectively. See Appendix 6 for a copy of this agreement.

ADDITIONAL GUIDELINES

Expenditures

The Chair of any Standing Committee, National Project, Working Group, or Delegation who wishes to expend funds shall make a request in writing to the Executive Director, specifying the amount and purpose. The request shall be forwarded to the Board for review along with the Executive Director's recommendation. If no objection is made within one week, the amount shall

be disbursed by the Executive Director. If objections are made, a vote by the full Board will be taken during the next conference call or meeting.

Agendas, Minutes and Reports

Standing Committee, National Project, Working Group, and Delegation chairs/coordinators are urged to set agendas and keep minutes of meetings. Chairs/coordinators shall submit a written report to the Board prior to quarterly board meetings, or as appropriate.

Conduct

By definition, VFP members have passionate, strongly-held beliefs. For that reason, it is worth reminding ourselves of the importance of civil discussion and debate throughout VFP.

As always, members are expected to adhere to the spirit of our Code of Conduct when participating in any VFP activities, include but not limited to: national projects, standing committees, working groups, caucuses, delegations, and bus trips.

In order to more fully observe the VFP Statement of Purpose, the VFP Board has adopted the following policy governing VFP discussion in all platforms:

1. Members are expected to adhere to the Code of Conduct and Statement of Purpose.
2. Communication should be couched in language that respects difference of opinion, and avoids personal attacks.
3. When a member crosses the line, they will receive a reminder copy of the Code of Conduct and this policy, with a warning that a second violation will result in a suspension from the group, committee, or other entity for 30 days.
4. A third violation will result in a permanent dismissal from the working group.
5. The chair of the entity is empowered to determine if a violation of this policy has occurred on his/her own, and will issue the warning, suspension, or expulsion notification to the offending party, with an information copy to the Coordinator and Membership Chair.
6. A member of the group may appeal a first or second violation to the Working Group coordinator for review, which could result in reversing the decision, or confirmation of the violation.
7. A third violation can be appealed to the VFP board for review, and possible reinstatement, with or without a probation period, or the board may uphold the expulsion from the Working Group.
8. Chairs may, but are not required to, provide “informal” cautionary guidance to a group member who violates this policy as a prelude to a formal written warning.

Please refer to our Code of Conduct, Misconduct Policy, Harassment Policy and Complaint Form, and Conduct Violation forms for additional information. Any member may reach out to the Board of Directors directly regarding conduct violations, and the Board will assist the member in seeking redress. The stressing of good conduct throughout the policy book should serve as an indication of the importance of this concept and that there is an expectation that members will treat one another and the broader universe of beings respectfully, in person and online.

CONVENTION

See also “Convention Committee” and our Bylaws, Article X. Membership Meeting.

Time and Place

The Board of Directors will determine dates and the location of the convention each year, taking into account member and chapter interest and what would best serve the needs of the organization in accordance with our bylaws.

Purpose

The annual convention serves several purposes including:

- Camaraderie and networking
- Education and information
- Public visibility and publicity for the organization
- Annual business meeting (to include resolutions and amendments to the bylaws)
- Board of Directors meeting
- Group actions

Convention Planning

A Convention Committee will be stood by the Board of Directors and shall include members, staff, and board members, who are involved in the convention planning process. The Convention Committee may chose to have subcommittees involved in the following areas:

- Advertising and Fundraising
- Budget and Finance
- Communications and Public Relations
- Hotel Liaison
- Logo and Theme
- Plenary and Workshop
- Volunteer

The Staff, as a group most involved in the day-to-day operations of the organization, and the Board of Directors, as a democratically elected body that represents the membership as a whole, will work with the Convention Committee to offer their guidance and expertise in annual convention planning. The goal is to create a process that best enables the sharing of ideas and planning between the Convention Committee, Staff, and Board of Directors, and takes into account the needs of the host chapter as well as the needs of the organization overall.

After Convention Review

Each Convention Committee is expected to review “Lessons Learned reports” from previous conventions, and shall submit their own report within 30 days of the conclusion of the convention.

BYLAWS

General

Our bylaws are the highest law for the organization. A change to the bylaws can only be made by a vote of full members, announced at the annual convention, and conducted in accordance with our voting policy. Therefore, they should only set out the most fundamental rules, so that they do not need frequent correction. The following guidelines have been approved by our Board of Directors in accordance with our bylaws.

See also: Bylaw Article X. Membership Meeting, Section 3. Voting, Bylaw Article XIV. Amendment of Bylaws, and the Bylaws Committee under Standing Committees.

Annual Meeting Motion

The following motion will be put before the assembly prior to any discussion of proposed bylaws amendments: “All proposed bylaws amendments will be voted on as they are submitted, there will be no amendments or changes to proposed amendments. Each speaker will have two minutes to speak. Speakers will be called on alternating between those speaking for the amendment and those speaking against the amendment. A vote will be called on any amendment after 15 minutes even if there are more who want to speak.”

Board Recommendation and Annual Meeting Vote

The Board recommendation and Annual Meeting vote will be shared with the membership in the voting packet posted or supplied to members according to our voting policy.

RESOLUTIONS

General

The Board of Directors has approved the following guidelines. Also see Bylaws Article X. National Meeting, Resolutions Section 4 and Standing Committees, Resolutions.

Resolutions effective until rescinded

The board re-affirmed the policy that resolutions passed at previous conventions remain valid and effective unless and until rescinded.

Inappropriate Resolutions

Some resolutions are inappropriate as submitted and will be rejected and returned to the sender with an explanation by the Resolutions Committee. These include but are not limited to:

1. Any resolution that draws on national funds not already authorized for that purpose or that calls for unfunded expenditures.
2. Any resolution that directs chapters to take an action.
3. Any resolutions that essentially duplicates an existing resolution
4. Any resolution that conflicts with or would effectively modify the bylaws

Resolution Discussion at General Assembly

This motion will be put before the assembly prior to any discussion of the Resolutions: All resolutions will be voted on as they are submitted, there will be no amendments or changes to resolutions. Each speaker will have two minutes to speak. Speakers will be called on alternating between those speaking for the resolution and those speaking against the resolution. A vote will be called on any resolution after 15 minutes even if there are more who want to speak. If no one speaks against a resolution that was endorsed by the Board then, in the interest of time, no speaker for the resolution will be heard.

Resolution Rules, Procedures And Deadlines

If possible, resolutions should be submitted via e-mail to the chairperson of the resolutions committee. The subject line of each resolution should read "VFP CONVENTION RESOLUTION." If it is not possible to e-mail a resolution it should be typewritten on 8.5 x 11 paper and mailed to the national office. The envelope in which a resolution is mailed should be addressed to: Veterans For Peace RESOLUTIONS, 1404 N. Broadway/St.Louis, MO 63102.

Each resolution should cover only one topic. If you want to address more than one topic submit multiple resolutions. Be succinct! A resolution that is short and to the point will get more attention. Every resolution should carry the identification of the person or chapter submitting it.

Resolutions received by the committee by 30 days prior to the convention will be either accepted as written and promptly acknowledged, OR returned to sender with suggestions for rewriting, OR returned to sender with an explanation of why they are inappropriate.

Resolutions received by the committee after 25 days prior to the convention but prior to ten days prior to the convention will be handled as above insofar as time constraints and the volume of work permit. Otherwise, committee members will simply acknowledge receipt and do appropriate editing and screening.

The committee will not accept resolutions after the deadline. If, and only if, events occur after this deadline, of sufficient impact to require a resolution, no fewer than fifty (50) copies of any relevant and appropriate resolution(s) should be submitted to an officer of the board before the convening of the plenary session at which resolutions are to be considered. The Board of Directors has the final authority with regard to this exception to the rules.

All resolutions received by the deadline will be assigned numbers and forwarded to the board of directors for consideration prior to the opening of the convention. The committee will also provide the board with its rationale for rejecting any of the resolutions that have been submitted.

Resolutions will be made available for review on the website, displayed on screen at the membership meeting, and distributed on paper at the convention, as appropriate.

BOARD OF DIRECTORS ELECTION PROCEDURES

The Board of Directors has approved these guidelines. Also refer to Bylaw Article X. National Meeting, Section 3 Voting.

Election Ballot Rules

1. Preparation of the Ballot

The Secretary or designee shall supervise the preparation of a ballot in which candidate names nominated by the Nominations Committee and those nominated by petition shall be combined into one list with names listed in the order in which they have been picked randomly from a container.

2. Biographical Statements

3. Ballot Instructions

Included with the ballot shall be a set of instructions that will include the following elements:

- a. A statement indicating the maximum number of candidates to be chosen on the ballot.
- b. An instruction for the use of the two envelopes included in the ballot as follows: When completed the ballot is to be inserted in the smaller of the two envelopes included with the ballot and then sealed. The sealed envelope will then be inserted in the larger envelope, on which the voter is to write a return address and a signature so that the voter's membership status can be validated.
- c. A deadline for mailing or hand-delivering the ballot to the National Office or designated site for ballot counting.
- d. A date, time and place for the counting of ballots and reminder that "Any Full Member may be present during the counting of the ballots."

4. Mailing the Ballot, Biographical Statements, Instructions, and Envelopes

The election mailing shall contain the instructions and the two envelopes required by section 3 above as well as the ballot and biographical statements. Both envelopes shall be printed with the word "Ballot" on the outside so that they can easily be distinguished from other correspondence.

5. Securing Ballot Envelopes Returned

The National Office or designee(s) shall ensure that all timely returned ballot envelopes are validated as to membership. The inner envelope shall then be extracted and put into a secure box with a lock where they shall be held until the designated date for counting the ballots. Rules herein. Decisions shall be made by a majority vote of the judges. Reasonable, necessary travel expenses of the judges shall be reimbursed by the VFP if so requested

7. Ballot Counting

At the designated time, the election judges shall open the ballot box and verify the total number ballot envelopes in the box. The judges shall open the smaller ballot envelopes and count the marked ballots one by one, announcing the candidate names marked to the observers if any. Any observer may challenge the counting if there are any irregularities or problems. In such case, the ballot in question shall be recounted and verified again.

8. Announcement of results

Upon finishing the counting, the judges shall formally certify the election results, except that in case of a tie vote among candidates to be elected, the National Board shall determine precedence by secret ballot. Election results shall be communicated to the National Board and the Secretary shall forward the results to the members through email, website and newsletter.

9. Preserving the Ballots

The Executive Director shall secure the counted ballots in the National Office for two years as required by the bylaws. Any examination of the ballots shall take place under the watch of at least one board member or the Executive Director.

Policy on Executive Director Role in Board Elections

Since the ED is the employee of the Board, it would be unhealthy for the organization to allow the ED to attempt to effect the election of their own supervisor. Therefore it is the policy of the Board of Directors that the Executive Director will not take an active role in the election of Directors. Violation of this policy can be grounds for reprimand or dismissal.

VFP AWARDS POLICY

Purpose: The Board of Directors of Veterans For Peace acknowledges that personal and group recognition is essential for the health of the organization. Recognition creates publicity, fund-raising opportunities and identifies those who have made extraordinary efforts in pursuit of VFP's mission. The Board also realizes that it is always appropriate to say "Thank you" to those who have demonstrated exemplary service to VFP in our pursuit of a more peaceful world.

Awards Committee: The President of the VFP Board of Directors shall annually appoint a chair of the awards committee. The chair must be a full member in good standing.

The committee shall review all applications for awards. A majority vote of the committee is required before the application is forwarded to the VFP Board of Directors for consideration. If the award is not approved the committee chair will send a letter to the person making the nomination. The letter will give the reason(s) why the committee did not approve the application.

- Any member, in good standing may make nominations to the Awards Committee. See below for information concerning how nominations should be made.
- There shall be no hierarchy of the type of award, as they shall enjoy equal status.
- Should the recipient not be present at the time of the award presentation, the award may be sent directly to the recipient or a host who shall present the award to the recipient
- **Awards to noteworthy host chapter members:** Convention host committee may recognize noteworthy effort by local committee members at Awards Banquet, rather than a national award.

- The committee will not accept nominations after the deadline, unless extraordinary circumstances warrant.
- Following the submission deadline, the Awards Committee shall meet via conference call to consider nominations. The committee will then present recommendations to the National Board at the board meeting preceding the convention.
- Once recommendations are approved or modified, the committee will proceed in obtaining the actual awards. The award(s) may be: certificates, medals, plaques, pins, or something else the committee deems appropriate and which stays within the budget allotted.

Endorsements and Sponsorships

Requests for endorsement and sponsorship shall be submitted to the Executive Director.

To better streamline VFPs endorsement policy, the Executive Director shall have the authority to approve all endorsement requests and sign on behalf of Veterans For Peace, so long as the request supports our mission and goals as an organization, does not require money, and does not violate any policies or bylaws. If the Executive Director feels uncomfortable making an endorsement decision, he or she will forward the request to the Executive Committee of the Board of Directors for approval. As is current practice, if the Executive Committee cannot come to a unified decision regarding a request, the request will be forwarded to the full Board of Directors. The Executive Director will keep a spreadsheet accounting for endorsements supported and refused, to be included in the monthly Executive Director report. The Executive Director may delegate this task to staff as appropriate.

Local chapters are authorized to endorse local actions that support our Statement of Purpose. VFP does not endorse chapter actions unless they have national significance and are sponsored by two or more chapters.

Affiliation with Other Groups

When the VFP Board votes to affiliate with another organization, a VFP member should be designated as liaison person and will be expected to provide periodic reports to the board.

Records and Reports Availability

Treasurer's reports, Executive Committee meeting minutes, Annual meeting minutes and Board of Directors' meeting minutes will be available to members through the VFP website, or upon request. Membership lists will be used for VFP purposes only and may not be sold, traded or given to other organizations. Chapter rosters will be available to Chapter officers and Contacts. When chapters are forming, the chapter organizer may receive a roster of at-large members who are closest to the forming chapter. VFP records are archived at Swarthmore College.

STANDING COMMITTEES

The president shall appoint the members of all Standing Committees and will designate a chair. A list of all Standing Committees, chairs, and members, will be posted on the VFP website.

Finance and Fundraising Committee

Charged with creating strategies that will develop the financial strength of the organization (e.g., major donors, foundations, mailings, planned giving and special events), and supporting and assisting the treasurer by reviewing professional accounting reports and giving advice on investments and disposition of endowments. Members may also try rubbing dollar bills together

in the hope that they will have baby dollars, though we do not recommend solely relying on this tactic. The committee is chaired by the Treasurer and consists of at least that position, the President and Executive Director.

Membership and Chapter Development Committee

Charged with supporting individual members and chapters. Membership support: building an outreach campaign and supporting new and existing members to include orientation of independent members and connecting members to local chapters. Chapter support: assist in the chartering, formation, and ongoing support of VFP chapters and providing support and assistance to reinvigorate inactive chapters. Staff provide direct assistance to the committee by verifying veterans' status, providing reports, and issuing charters and related paperwork. Due to the intense workload of this committee, it shall include a steering committee made up of two members of the Board of Directors (chair and co-chair of the committee), two members of staff (the executive director and membership coordinator) and one member at large as appointed by the President of the Board of Directors. Additional members can serve to help support the committee's goals as needed.

The strategic plan will be subject to the approval by the full Board of Directors and the Full Board will review the committee's recommendations at least twice a year, if not quarterly. This committee does not replace working groups or national projects, or the activities of chapters, but will be the guiding document for national VFP activities.

Transformative Justice Committee

Charged with overseeing the internal health of the organization, to include continued exploration of Transformative and Restorative Justice, updates to the Code of Conduct based on member input, and investigating complaints and grievances about members and chapters. Because of the sensitive nature of this committee's work, this committee will be composed of members with a specific background in restorative justice, misconduct/harassment investigations, social work, or

other applicable areas. The committee shall work to ensure that our Code of Conduct and Misconduct/Harassment policies and procedures are transparent and serve the needs of our membership and that members are aware of our reporting procedures.

STAFF AND PERSONNEL

General

The Board of Directors has approved the guidelines below, in accordance with our Bylaws. See also Bylaw Article VIII. Administration of the National Office and Article IX. Salaries.

Executive Director

The ED reports to the Board, and all other staff members report to the ED. A specific and detailed job description for the ED can be found in the next section.

Tasking of the Executive Director

Under normal conditions, individual Board members will not task the Executive Director; rather his responsibilities and tasking will be the result of decisions of the Board acting as a body. The Executive Director may refuse requests of individual Board members or committees if he/she determines that such requests are unreasonable, not in keeping with the VFP statement of purpose, require a significant amount of time, or are disruptive.

Hiring Policy

It is the policy of Veterans For Peace to give hiring preference to qualified veterans for any job openings in the national office. Veterans For Peace shall not discriminate against any person due to race, religion, gender, sexual orientation, age, or ethnicity. The ED is authorized to hire personnel for existing staff positions without Board approval. The Board of Directors must approve the creation of an additional position. It is expected that the ED will utilize fair and impartial criteria for hiring. Employees shall be given a clear description of their duties and expectations.

Firing Policy

Employees shall be given periodic written and oral evaluations regarding their performance, and shall be counseled and given an opportunity to correct weak areas before termination of employment. The ED is authorized to fire staff personnel without the approval of the Board, however he/she is expected to keep the Board apprised of personnel issues. Procedures for firing the ED are contained in the Executive Director instruction.

Harassment

It is the policy of VFP that employees, officers and members have the right to an environment free from any type of harassment. Refer to Harassment Policy and Complaint Forms in the appendix.

Grievance Procedure

It is the policy of VFP to promote open and constructive dialogue between its employees and supervisors whenever possible. Nonetheless it is important to provide a formal system for dispute

resolution for cases where dialogue and goodwill are insufficient to resolve an employee complaint. That procedure will operate as follows:

Step 1. When an employee seeks to pursue a grievance beyond the normal method of oral discussion with the VFP Executive Director, s/he will reduce the complaint to writing and present it to the ED. The ED will meet with the employee personally on this single issue, work to resolve it to the best of the ability of both parties, and provide a written response to the employee within 7 work days.

Step 2. If the employee finds the above response unsatisfactory, or fails to receive a response within the required period, s/he may advance the grievance by submitting it to the chair of the Personnel Committee along with copies of all pertinent documents. The ED will likewise submit appropriate documentation, if any. The Personnel Chair will consult with both parties by phone individually, or by conference call if that is felt to be valuable. A personal meeting is preferred if convenient to all parties. The chair will issue a written finding within 15 workdays and transmit it to both parties.

Step 3. Should the employee consider the chair's finding to be unacceptable, s/he may transmit a final appeal to the president of the Board of Directors. Upon receipt, the president shall appoint a panel of three board members to review the complaint. They will examine all documents and discuss the matter with any appropriate persons. Within one month the panel shall issue a final decision in resolution of the matter which shall be distributed to all parties.

FINANCIAL MATTERS

General: The Board of Directors has approved the following guidelines in accordance with our bylaws. Also see VFP Bylaws, Article XI. Financial Review and Fiscal Year.

Budget: VFP uses a budget year of 1 January to 31 December. The Executive Director is responsible for submitting a draft budget for the prospective year to the Board during the October meeting. The final budget will be approved at the January meeting.

Fiscal Sponsorship: When appropriate, VFP will provide fiscal sponsorship for projects from other organizations. The organization seeking sponsorship will enter a Memorandum of Understanding with VFP.

VFP reserves the right to discontinue a restricted account when a National Project, Standing Committee or Working Group has become ineffective or when agreed upon by the Executive

Committee and the project manager. At that point, the funds accumulated may either be incorporated with unrestricted funds or returned to the donor at their request on a pro rata basis.

Long Term Asset Fund: VFP will maintain a Long Term Asset Fund into which will be deposited any revenue item that is greater than 10% of that year's approved operating budget, with earned interest from such a fund going into the general operating budget.

Regarding the annual convention booklet, elected officials local to the convention site may place "Welcome VFP" type ads. Other questionable ads will be decided on a case-by-case basis by the Convention Committee, the Newsletter editorial committee and the web site manager. The Executive Committee will determine unresolved cases.

VFP US ADVISORY BOARD

Veterans For Peace believes it must more firmly assert its voice into the national debate concerning our nation's drift into endless wars and conflict while side-stepping or ignoring our constitutional and treaty obligations that dictate when and how the United States can unleash its war machine. We will look to our Advisory Board for guidance and direction to assist us as we continue our efforts to:

- Counter the steady encroachment of militarism into our society;
- Loosen the stranglehold the military industrial complex has gained in the legislative and executive branches of our government;
- Reduce and ultimately eliminate nuclear weapons;
- Curb the slow erosion of our civil rights and liberties; and
- Educate us and other citizens about the environmental damage caused by our military adventurism.

A current list of our Advisory Board members can be found on our website.

VFP NAME AND LOGO

The Veterans For Peace name and logo is copyrighted, and therefore protected intellectual property.

VFP MEMBER INFORMATION PRIVACY POLICY

VFP will not share member contact information lists with individuals or organizations unless they are a selected chapter leader or official organizers. Our intention is to protect the privacy of our members and supporters as much as possible while still moving the VFP mission forward. Chapter leaders will receive a monthly report with the chapter members contact information for local organizing. On a case by case basis, we can distribute announcements to targeted VFP audiences through the national database on behalf of a working group, chapter, or regional VFP leader. Members can select to be placed on our "Do Not Contact" list, and remain a member and supporter. These filters are not always 100% effective but should eliminate most unwanted communications from Veterans For Peace.

APPENDIX

Appendix 1 – Understanding Oppression

1. What is Oppression?

Oppression is the one-way systemic treatment of a defined group of people (“targeted group”) that is reinforced by society through five distinct ways: exploitation, marginalization, cultural imperialism, powerlessness and violence. Oppression appears individually through attitudes and behaviors, institutionally through policies and practices, and culturally through norms and values. Oppression manifests as a system that advantages “agent” groups, and disadvantages “targeted” groups.

2. All Oppressions are Interconnected

All forms of oppression are interconnected - including racism, sexism, classism, heterosexism, ableism, ageism, etc. Our experiences with one social identity (for example, race) may vary greatly because of the ways in which it intersects with our experiences of another identity (for example, class).

3. No Oppression Olympics

It is not helpful to create and debate the existence of a hierarchy of oppression. While it can be helpful to compare and contrast different forms of oppression, it is not useful to argue about which is worse. Each form of oppression impacts different people in different ways and is destructive to the human spirit. Because of the interconnectedness of oppression, one cannot be abolished in isolation from the others.

4. What are Race and Racism?

Race is not based on biology; it is a socially constructed category used to classify groups of people that has enormous consequences in U.S. society. Racism is the one-way oppression that targets certain racial groups (“people of color”) and advantages others (“whites”). A shorthand definition of racism is: “Power + Prejudice = Racism”, which specifies that only whites can act in “racist” ways, since they benefit from, dominate, and control the institutions that enforce American cultural norms and values.

5. White Supremacy: Beyond the White Hoods

White supremacy is the ideological umbrella for racism and white privilege that both grants superiority to those identified as "white" over those marked as "non-white," and also oppresses continents, nations, and peoples of color for the purpose of maintaining and defending a system of wealth, power, and privilege. As an ideology, white supremacy manifests itself institutionally, individually, and culturally through the auspices of “colorblindness”, implicit bias, and racist social norms.

6. What are the Connections between Capitalism and Racism?

Deep and complex connections occur between racism and capitalism in the U.S. By its nature, capitalism reinforces and necessitates oppression because of the ways that wealth is consolidated by the owning class at the expense of the working class and poor. Racism has been used throughout U.S. history to reinforce classism and bolster capitalism, often utilizing the white working class as a buffer between the owning class and working class people of color. The exploitation and marginalization of people of color globally continues to fuel class inequality.

7. Dismantling Oppression Benefits Everyone, and Can be Painful AND Joyful

Oppression hurts and confuses all groups of people in different ways - both targeted and agent groups. It is in the best interest of all of us to dismantle it. Uprooting racism, in our own attitudes and behaviors, in our organizations, and in society, can be frightening and isolating, but it can also be a deeply liberating and joyful experience.

8. We are All Learners

We are each experts about our own experiences, and we are all learners on the road to dismantling oppression. We all journey together to connect theory to real life experience and action.

9. About AROC

AROC is an anti-racist and anti-capitalist collective of white folks in St. Louis building a space for learning and organizing rooted in accountability relationships with each other, people of color, and the broader movement.

Appendix 2 – Foundational Definitions: Understanding Racism

1. **Prejudice: Negative beliefs or behaviors** towards another group based on stereotypes and pre-judgments. In terms of race, a person of any racial group can be prejudiced towards a person of any other racial group. There is no power dynamic involved in prejudice, which makes it different from racism, which does involve power.
2. **Oppression: The one-way systemic treatment of a defined group of people** (“targeted group”) that is reinforced by society through exploitation, cultural imperialism, powerlessness, marginalization, and violence. Oppression appears individually through attitudes and behaviors, institutionally through policies and practices, and culturally through norms and values. Oppression manifests as a system that advantages agent groups, and disadvantages targeted groups. In terms of racism, white people are considered to be in the agent group, while people of color are in the targeted social identity group.
3. **White supremacy: The belief system and ideological umbrella** that grants superiority to those identified as "white" over those marked as "non-white". Things associated with “white” are seen as normal and generally desirable. As an ideology, white supremacy manifests itself at three levels: culturally, institutionally, and individually.
4. **Racism: The system that carries out the ideology of white supremacy.** Racism is the one-way oppression that targets certain racial groups (“people of color”) and advantages others (“whites”). It is a **system of power** that white colonial rulers created in the 17th century that even today, continues to give preferential access of survival resources (housing, education, jobs, food, health, legal protection, etc.) to white people, while simultaneously impeding people of color’s access to these same resources.
5. **Racist:** Behavior or beliefs that white people exhibit based on prejudice. Only white people can act in “racist” ways, since they benefit from, dominate, and control the institutions that enforce U.S. cultural norms and values. A shorthand definition of racism is: **“Power + Prejudice = Racism.”** People of color cannot be racist, because they do not have the institutional power to back up their prejudices. (This does not deny the existence of such prejudices.)
6. **“Reverse racism:”** Those who deny white privilege commonly cite “reverse racism” when a white person is treated poorly by a person of color, or feels entitled to something a person of color receives. Because white people are the only racial group to have ever established and retained power, **reverse racism does not exist.**
7. **White privilege: The unearned and accumulated advantages, entitlements, benefits, choices, assumptions,** and expectations that white people receive that are denied to, or at the expense of, people of color. White privilege enables white people to benefit psychologically and materially from these accumulated advantages, whether they seek them or not. *Note:* “Privileged” is commonly used to mean “lucky” or “blessed” or to rationalize wealth as a result of hard work; this is a different concept that refers to access to power as a result of having a particular identity.
8. **Anti-Racism:** the strategic interventions that **intentionally interrupt the patterns of white supremacy** among individuals, institutions, and group cultures.

Appendix 8 – Board of Directors Evaluation of the Executive Director

Guidelines for Board of Directors Evaluation of Executive Director

Evaluating the Executive Director is a primary responsibility of the Board. There are several key benefits from this evaluation, including that the process:

1. Ensures the Board is meeting its duty to effectively lead the organization
2. Ensures organizational goals are being met
3. Ensures continued development of the Executive Director in his or her role
4. Ensures a formal evaluation process that meets standards of fairness and practicality
5. Ensures the Executive Director values his or her role and is benefiting from it
6. Leaves written record of the Board's impression of the ED's performance in case it is needed for future verification (e.g., for salary increases, probation, permanency, etc.).

Activity:	Month
Evaluate the Executive Director, by referencing his or her progress towards organizational goals and responsibilities in their job description	Apr
Strategic planning to produce next fiscal year's organizational goals and identify resources needed to accomplish the goals	Aug
Establish Executive Director's goals for the next fiscal year, by referencing goals produced from strategic planning	Sept
Establish next year's fundraising goals and budget by referencing resources needed to reach strategic goals	Oct

Board self-evaluations and Executive Director Evaluations reviewed	Dec/Jan

Directions and Special Considerations:

1. The Personnel committee shall carry out the evaluation process annually.
2. Ensure the process is documented and understood by all, to include involved staff.
3. Each Board member and the Executive Director completes the following table about the Executive Director's performance during the evaluation period.
4. On a separate sheet of paper, provide any commentary that addresses rankings below 3. Consider adding commentary for high ratings as well.
5. Submit the evaluation sheet and commentary to the Personnel committee.
6. The Board may decide to provide the Executive Director an average ranking for each category. Similarly, commentary can be summarized or provided individually to the ED.
7. The Personnel committee provides the evaluation report to the Executive Director and schedules a meeting with him or her shortly thereafter.
8. Ensure plans are made to address ratings below 3, including specific actions with dates.
9. If the Board perceives the ED to have performance issues, it can initiate an evaluation. However, DO NOT initiate evaluations only when there are perceived issues - this is abusive.

VETERANS FOR PEACE

NATIONAL OFFICE: 1404 N. Broadway/St.Louis, MO 63102.

PHONE: (314) 725-6005 FAX: (314) 227-1981 E-MAIL: vfp@veteransforpeace.org

Responsibilities of the Board

Board members are responsible for the following:

1. **Participation in board activities.** The board has monthly conference calls and quarterly in-person meetings. Attendance is required barring an excused absence. Board members are expected to serve on committees, communicate with the broader VFP membership and peace community, and assist in facilitating the National Convention.
2. **Ensuring organizational continuity.** The board develops leadership within both board and staff to maintain a mix of old and new people in both spheres.
3. **Setting organizational policy, reviewing and evaluating organizational plans.** The board ensures that policies are in place to guide the organization as appropriate and that the organization's programs are always in keeping with its statement of purpose, and that the statement of purpose continues to reflect a true need.
4. **Doing strategic planning.** The board forms long-range plans with reference to our statement of purpose, focusing on the following types of questions: Where does VFP want to be in two years, five years, ten years? How big does VFP want to become? What are the implications of world events for VFP's work? How can VFP become more pro-active, rather than reactive?
4. **Maintaining fiscal accountability.** The board approves and closely monitors the organization's expenses and income. The board makes certain that all the organization's resources (including the time of volunteers and staff) are used wisely, and that the organization has enough money to operate.
5. **Personnel.** The board sets and reviews personnel policies, hires, evaluates, and, when necessary, fires staff. For staff positions other than the executive director, these tasks are delegated to the executive director who takes the place of the board in personnel matters. The board hires the executive director and evaluates her or his performance regularly. The board is also the final arbiter of internal staff disputes and grievances and is ultimately responsible for maintaining good staff/board relationships.
6. **Funding the organization.** The board is responsible for the continued funding and financial health of the organization. With regard to fundraising, board members have two responsibilities: give money and raise money to best of ability.

As a board member, I agree to these responsibilities and will work to carry out these tasks to the best of my ability.

Appendix 17 – Current National Projects and Working Groups

CURRENT NATIONAL PROJECTS

At times projects initiated by members or chapters take on a larger scope and those involved ask to be recognized as National VFP Projects. Currently there are nine National Projects. For more information, visit our VFP website.

Save Our VA

The Save Our VA Campaign is an effort of Veterans For Peace members to stop the privatization of VA Healthcare. They advocate for policies that will preserve the ability of the VA's (Department of Veterans Affairs) Veterans Health Administration (VHA) to provide comprehensive, high-quality, cutting-edge healthcare to the nine million American veterans who rely on VA health facilities.

Golden Rule Peace Boat Project

We aim to advance VFP's opposition to nuclear weapons and war, and to do so in a very memorable and intriguing way. We have recovered and are restoring the original peace boat, the Golden Rule, that sailed in 1958 to stop nuclear testing in the atmosphere, and which inspired many peace makers and peace ships that followed. The restored Golden Rule will voyage once more, to show that a nuclear peace is possible, and that bravery and tenacity can overcome militarism.

Iraq Water Project

Iraq Water Project was conceived in 1999 to address and challenge the intolerable sanctions regime whose purpose---not very carefully hidden---was to make life so miserable for Iraqis that they would overthrow Saddam Hussein and place in power a government compliant with US interests. This system of sanctions stayed in place some 13 years, and very helpfully wrecked Iraq's economic and social structure. The water system collapsed with everything else.

Korea Peace Campaign

Korea Peace Campaign (KPC) is a national project of VFP whose mission is to achieve a peaceful end to the lingering, costly Korean War; heal the wounds of the War; and promote reconciliation and friendship between American and Korean people.

Deported Veterans Advocacy Project

The mission of the Deported Veterans Advocacy Project is to advocate and assist U.S. veterans who face deportation, or have been deported by the U.S. government. Currently Veterans For Peace is the fiscal sponsor of the Unified Deported Veterans, located in Tijuana, Mexico. The Unified Deported Veterans/Veterans For Peace Hector Barrios Chapter 182 is the front line of interception for U.S. military deported veterans, assisting them to integrate into the community as productive residents while searching for legal avenues to return home to the U.S.

Veterans Challenge Islamophobia

Veterans Challenge Islamophobia is a broad based call to all veterans to defend the values of religious freedom, equality and individual rights. These are the very same values embedded in

our Constitution that many of us believed we were defending when serving in the military. And time is urgent. The campaign is initiated and coordinated by Veterans For Peace. All veterans who agree that bigotry and religious intolerance must be challenged are welcome.

Vietnam Agent Orange Relief & Responsibility Campaign

This Campaign is an initiative of U.S. veterans, Vietnamese Americans and all concerned about peace and justice. We insist our government honor its moral and legal responsibility to compensate the Vietnamese victims and all victims, of Agent Orange.

Vietnam Full Disclosure Campaign

An alternative commemoration of the American War in Viet Nam Full Disclosure is a national campaign to present to the American people an accurate history of the American war in Viet Nam. We do this for historical accuracy, and to look at the impact of the war on the Vietnamese and American people – including servicemen and women and their families. Most importantly, we hope to prevent future unnecessary, brutal acts of intervention.

Content Quality Over Quantity

Focus on generating quality social media content that is in line with VFP’s social media goals. Generally, post no more than five Facebook posts per day. When possible, schedule posts to go live during peak usage times.

Voice and Tone

When posting as the organization, use a voice that is consistent with VFP’s mission and values. VFP is a professional organization that intends to educate the public and inspire action. Each post should contain some text, should inform on a topic, and invite conversation from followers. No profanity, aggressive, or sarcastic language.

Tagging Chapters, Campaigns, Ally Pages

Mention and (when possible) tag the local chapter or VFP campaign that is featured in a post. Tag the national Veterans For Peace page in posts. If mentioned in a post, tag ally groups.

Requests/Messages to VFP pages

Office staff will answer messages directed to the national VFP pages. When necessary, the message will be forwarded to the appropriate national leader to handle the request.

Pinned Posts

Focus on taking action and highlight current VFP national efforts. Determined by the office staff.

Posting Original Content

Create and share original content, tagging and referencing appropriate pages, so the post will link back to Veterans For Peace.

Sharing from other pages

Always share original content when possible. Posts shared from other pages or individual accounts must be from a VFP project/campaign page, an ally group, or coalition which VFP is part of. Posts shared from other pages must be related to the ongoing work of VFP or contain a news story about the work of VFP. ‘Reach’ from posts shared doesn’t come back to VFP page.

Removing/Blocking/Banning Inappropriate Posts/Individuals

Out of context posts, comments or posts intended to alarm only will be deleted. The posting of any racist, misogynist or other hateful diatribe or pictures will be removed and the poster warned. In the event of a repeat offense the individual will be blocked from the page. Gratuitous profanity, abusive language and ad hominem attacks are strictly forbidden on this page. Offenders will be blocked from commenting on this page and reported to Facebook.
