

VFP CHAPTER 160 – Hoà Bình
Peace Tour of Viet Nam 2019
MARCH 9 - 25, 2019

Members of 2018 VFP Tour delegation met with officials of the Vietnamese Association of Victims of Agent Orange.

By popular demand, VFP Chapter 160 in Viet Nam will host another tour for VFP members, spouses, friends, who have requested one more chance to visit the country that shaped our lives in so many ways.

COST: \$2,900 for 17 days in-country travel to include hotels, meals, transportation + roundtrip airfare from West Coast + \$1,000 donation.

MISSION: Each tour participant must bring a donation of *at least \$1,000* to be pooled at the end of the trip and divided among projects we visit – for bomb clearance and risk education, to help victims of chemical warfare, to support hospitals, orphanages, schools, or other family and community needs in Viet Nam.

The \$1,000 donation is mandatory. We encourage additional donations from individuals not joining the tour, their families, neighbors, civic organizations.

IMPACT: In past years nearly \$250,000 has been donated by tour participants to projects supported by VFP 160 all over Viet Nam.
